Important Notes

1. Internet usage charges may apply depending on your internet service provider.
2. Note that live real-time data access for SGX, NYSE and NASDAQ is subjected to your market data subscription.
3. Performance of the streaming data is subjected to the speed of your internet connection.
4. In fast moving markets, orders placed may not be executed as the stock price moves away from the specified limit price.
5. Short-term stock price fluctuations may activate orders placed, so careful consideration is advised when selecting the Limit price.

Chapter 7 【Monitoring your Portfolio】

The “Portfolio” pagelet lets you keep track of your investments in more ways than one. It gives you up-to-date information and valuation of your investments. You can view unrealised profit and loss of your investments, outstanding contracts, balances, and more, all in one click.

To go to your “Portfolio” pagelet, click on Trade > Portfolio
Use the drop down boxes to filter your selection.

Filters available are:

- Account type
- Market
- Payment type

The screenshot shows the MIB Portfolio page with the following elements:

- Navigation Tabs:** Unrealized P&L, Realized P&L, Portfolio Mgmt, Manual Entry, O/S Positions, Balance, Calculator.
- Filters:** DEMO-0002 (Cash), SGX, Cash.
- Message:** There are no entries in your portfolio.
- Note:**
 - The shares shown under your portfolio is not a reflection of your share holdings in CDP / CPF investment bank / SRS operator. To mitigate against the possibility of any short sale, please refer to your latest positions held with The CDP/CPF Investment Bank / SRS operator prior to any sale of stock/shares.
 - To view transaction details of each stock, right-click on the stock, and select "Portfolio Details".
 - The line "OVERALL TOTAL SGD" is only applicable for Portfolio entries where price feeds are available for that stock.
 - The "Unrealized P/L" does not take into account (a) transaction charges; (b) amendments made after a trade is done; (c) revocation of cash/CPF trades or transfer to/ from margin account; (d) corporate actions such as stock splits, bonus issues, rights or entitlement of any form; and (e) share delisting. You will need to update your portfolio under Portfolio - "Manual Entry", if you wish to have the above changes to be reflected.
 - For stock positions held in our foreign custody, please refer to "Account Management" -> "Daily Custody Balance".
- Timestamp:** Last retrieved on Wednesday, 5 Dec 2012 at 11:20:06 AM.

Manual Entry

We understand that some of your holdings in your portfolio might have been transacted with other brokers. That's why we have the manual entry function so that you can still view your portfolio as a whole.
