MIB Group is a global investment banking group operating world-wide with operations in various jurisdictions including the United Kingdom and the U.S. Entities within MIB Group must ensure its operations are in line with the laws and regulations in respect of sanctions set forth by the UNSC, the OFAC, the Government of Malaysia under Section 66B (1) of the *Anti-Money Laundering, Anti-Terrorism Financing and Proceeds from Illegal Activities 2001* and all sanctions laws and regulations of host countries (collectively known as "Sanctions Regulations").

In this regard, MIB Group endeavours to understand the extent of its customers' activities with countries subject to Comprehensive U.S. OFAC Sanctions Programmes. The purpose of this form is to ask questions which seek to best identify and understand the nature of any such exposure.

- a) A legal entity, branch or representative office (an "Entity"); or
- b) A FI group (including all branches, representative offices, subsidiaries, holding companies, affiliates and joint ventures both in the home country and other jurisdictions) [collectively known as a "Group"].

Please answer the questions set out for the Institution (i.e. either an "Entity" or a "Group") and complete the Customer/RM attestation.
